Objectives

The children will:

Know that they can make people and animals happier by being kind and gentle as Jesus was.

Feel kindness and mercy for others and respect for the environment.

Respond by being kind to people, animals, and their environment.

The Message

We serve God when we are kind.

Getting Ready to Teach

The Bible Lesson at a Glance

Jesus learns many things as He grows up. He is happy and obedient. He is kind and caring to people, to animals, and the other growing things. Everyone is happier when Jesus is near.

This is a lesson about service.

Jesus sets an example for us as He moves among people and animals, and

takes care of them in His own special way. We can learn to serve others and care for God's creatures and His world as we study Jesus' example.

life flowed out in currents of sympathy and tenderness. The aged, the sorrowing, and the sin-burdened, the children at play in their innocent joy, the little creatures of the groves, the patient beasts of burden—all were happier for His presence. He whose word of power upheld the worlds would stoop to relieve a wounded bird" (*The Desire of Ages*, p. 74).

"He was thoughtful and kind toward the aged and the poor, and He showed

kindness even to the dumb animals. He would care tenderly for a little wounded bird, and every living thing was happier when He was near. . . . Jesus also loved to study the wonderful things which God had made, in the earth and in the sky. In this book of nature He saw the trees and plants and animals, and the sun and the stars" (*The Story of Jesus*, p. 30).

Teaching the Lesson

Welcome

Welcome students at the door. Ask how their week has been—what they are pleased/troubled about. Listen to last week's memory verse and encourage them to share experiences from last week's lesson study. Have them begin the readiness activity of your choice.

Readiness Activities

Select the activity most appropriate for your situation.

A. Donkey Puzzle

Use a large donkey cutout (from a "pin the tail on the donkey" game found at a party supply store, or a picture) to make a puzzle. Cut the donkey into several large pieces. Let the children put the donkey puzzle together. Scramble the puzzle, and reassemble it several times.

Debriefing

Ask: **Did you enjoy putting the puzzle together? Our Bible story today teaches us how Jesus treated His donkey and other animals. How do you think we should treat animals today? Today's message is:**

We serve God when we are kind.

Say that with me.

You Need:

- large picture or cutout of donkey
- paper (optional)
- marker
- scissors

B. Donkey Mask

Prepare copies of the reproducible donkey mask pattern (p. 47). Allow the children to color their donkey mask. Help them cut out the eyes and attach the string or rubber band to fit around their head.

Debriefing

Allow response time as you ask: **Did you enjoy making this mask? We will wear our masks when we hear today's Bible story. Our Bible story today teaches us how Jesus treated His donkey and other animals with kindness. How do you think we should treat animals today? Today's message is:**

You Need:

- donkey mask pattern (see p. 47)
- paper
- crayons
- string or rubber bands
- scissors
- stapler, staples

We serve God when we are kind.

Say that with me.

Offering

Say: **The money we bring to Sabbath School is used to help take care of people all over the world.**

Prayer

Using a prayer request board or chart, ask the children for names of people, animals, or places that they want Jesus to help them take care of. Pray for each request individually.

You Need:

- chalkboard, white board, or poster paper
- chalk or marker

*Prayer and Praise may be used at any time during the program.

Bible Lesson**Experiencing the Story****You Need:**

- donkey masks from Readiness B (optional)

Ask the children to pretend that they are Jesus and act out parts of the story with you. If you did Readiness B, let them wear their donkey masks as they listen to the story.

Read or tell the story.

Most families where Jesus lived had at least one animal. Can you guess what that animal was? It was a donkey.

Donkeys are very strong animals. They are good at carrying things. When Jesus' family went somewhere, Jesus may have helped Joseph pack a bag with food and clothes that their donkey would carry on its back. *[Have children pretend to pack things on a donkey's back.]*

Jesus loved His family's donkey. He helped take care of it. He made sure that the donkey had food and water *[pretend to give food and pour water]*. When the work was done for the day, Jesus would lead the donkey to a resting place for the night *[pat an area on the floor]*.

Jesus was kind to other people's animals, too. If He saw some children teasing an animal, He asked them to stop *[wag finger "no"]*. If the animal looked hungry, He gave it some food *[act out]*. He was always gentle with the animals and always asked permission before he touched them. *[act out]*.

Animals were happy to be around Jesus. Horses came to the fence when He passed by. Cats liked to brush by His legs. Dogs wanted to lick His hand *[hold hand out]*.

Even wild animals liked Jesus. A wild animal is one that lives outdoors and doesn't have an owner. Squirrels, rabbits,

and raccoons are wild animals. Squirrels probably started chattering when they saw Jesus, as if to say "Hello, Jesus!" Rabbits may have sat up on their haunches and wiggled their ears when He walked by *[smile and wave]*.

Jesus liked to watch insects, too. He liked to watch caterpillars, ants, and ladybugs crawl *[use fingers to "crawl" along arm]*. He let them crawl on His hand. He never stepped on them or hurt them on purpose.

Jesus liked looking at all the beautiful things God had made. He studied the stars and moon at night *[look up]*. He watched the flowers grow and the trees bud. He sometimes brought pretty flowers to His mother *[offer bouquet to someone]*.

Jesus loved people most of all. He didn't like to see anyone get hurt. If one person hurt another, He found a way to make the hurting person feel better *[pretend to put arm around someone and comfort them]*. He shared His food with people who were hungry *[act out]*. If someone was thirsty, He gave them a cup of water *[act out]*.

Jesus played with children that no one else liked. He spoke kind words to everyone. People liked to be around Him because He was always happy and cheerful *[smile]*.

Jesus was also kind to the earth. He never destroyed flowers or grass just for fun. He was gentle to the earth that He and His heavenly Father had made.

Jesus was kind to every person and every other living thing. Everyone was happier when Jesus was around.

Debriefing

Ask: **What animal did Jesus' family own? How did He help take care of it? How did Jesus treat the animals? or people? How did Jesus care for the earth?**

Do you want to help people? How can you be kind to animals? to the earth? Remember our message? Let's say it together:

We serve God when we are kind.

Memory Verse

“Be kind . . . to one another”
(Ephesians 4:32, NIV).

The Message

We serve God when we are kind.

The Bible doesn't give us details about Jesus' childhood. But based on what we do know about Jesus, let's imagine how He may have been as a child.

Most families where Jesus lived had at least one animal. Can you guess what animal that was? A donkey!

Donkeys are very strong animals. They are good at carrying things. When Jesus' family went somewhere, Jesus probably helped Joseph pack a bag with food and clothes for their donkey to carry on its back.

Jesus probably cared for His family's donkey. He made sure that the donkey had food and water. When the work was done for the day, Jesus would lead the donkey to a resting place.

If Jesus saw some children teasing an animal, He asked them to stop. If the animal looked hungry, He gave it some food. He always touched the animals gently. Horses came to the fence when He passed by. Cats liked to brush by His legs. Dogs wanted to lick His hand.

Even wild animals liked Jesus. A wild animal is one that lives outdoors and doesn't have an owner. Squirrels probably started chattering when they saw Jesus, as if to say “Hello, Jesus!” Rabbits may have sat up on their

haunches and wiggled their ears when He walked by.

Jesus liked to watch insects, too. He liked to watch caterpillars, ants, and ladybugs. He let them crawl on His hand. He never stepped on them.

Jesus liked looking at all the beautiful things God had made. He studied the stars and moon at night. He watched the flowers grow and the trees bud. He sometimes brought pretty flowers to His mother.

Jesus loved people most of all. He didn't like to see anyone get hurt. If one person hurt another, He found a way to make the hurting person feel better. He shared His food with people who were hungry.

If someone was thirsty, He gave them a cup of water.

Jesus played with children that no one else liked. He visited people who had no families. People liked to be around Him.

Jesus never destroyed flowers or grass. He was gentle to the earth.

Jesus was kind to every person and every other living thing. Everyone was happier when Jesus was around.

Do and Say

Sabbath

Each day, read the lesson together. Sing the memory verse song, "Be Kind to One Another" (*Little Voices Praise Him*, no. 260).

"Be kind Cross arms over chest.

to one another." . . . Point to others.

Ephesians 4:32 Palms together, then open.

Take a walk and count all the things that God made for you that you can be kind to. Be sure to notice the insects, too!

Sunday

Go for a walk, and help your child use the litter bag made in Sabbath School to pick up trash. (Or use any trash bag.) As you walk, say: "You are helping to take care of God's world."

Monday

If you have a pet, involve your child in caring for it. Or use toy (stuffed) animals to practice petting animals gently. Thank Jesus for the animals you enjoy.

Tuesday

Visit an animal shelter or a pet shop. Talk about why animal shelters rescue and care for animals. Make a plan to help them.

Wednesday

Find a piece of string, a pinecone, a dried piece of bread, or a corncob. Cover it with peanut butter, and stick bird seed or other grains to it. Hang it outside where your child can watch the birds eat. Talk about how Jesus cared for the little creatures too. Thank Jesus for the birds.

Thursday

Think of a lonely or sad child or adult, and have your child do something kind for them today (pick flowers, call them and sing the memory verse song, etc.). Talk about how Jesus was kind to everyone.

Jesus to help your family be kind to each other and to others.

Friday

Fill a clear drinking glass half full with water. Talk about how clean it is. Help your child drop a few drops of dark food coloring into the water. Talk about ways to clean up lakes and ponds by removing trash and cleaning the water. Add drops of bleach to clear the water. Say: "We want to keep our pretty waters clean like this." Discard that water safely, then get some clean water and enjoy a drink.

Thank Jesus for good, clear water.
